

IES LOOKING FOR OFFICE SPACE

The Institute for Environmental Solutions, an expanding environmental non-profit organization, is looking for small office space in the Denver metro area on an in-kind donation or modest rent basis.

Our team of dedicated, hardworking, collaborative individuals works hard to advance objective, scientific solutions to our region's most pressing environmental concerns. Visit our Web site [www.i4es.org](http://www.i4es.org) to learn more about us.

We prefer (but will consider alternatives):

- Denver
- Good access to public transportation
- Free parking
- 400 to 600 sq. ft. (approximate)
- Access to shared conference room(s), kitchen
- Long-term
- Internet access

Please contact [IESintern@gmail.com](mailto:IESintern@gmail.com) if you have or know of space available.
